Anything's possible

Can you do a cartwheel? A guy named Don Claps once performed 1,297 of them in one hour!

People have done some pretty weird and amazing things over the years. Here are a few Guinness World Records:

- Bill Lyndon threw a 99-pound washing machine 11 feet.
- Ashrita Furman pushed an orange with his nose for a mile in just over 24 minutes.

- Dave Cornthwaite completed a 3,618-mile journey across Australia on his skateboard.
- Stefan Seeman rode a roller coaster for nine days straight.

Some people manage to do things that seem impossible. But the Bible tells about something that really is impossible for us humans. Jesus said it's impossible for us to get to heaven on our own. That's because

we've all sinned and done things God would never do. We can't go to heaven with sin in our lives, and we can't take away our own sin.

But there's good news. Jesus died on a cross to make a way for us to get to heaven. We can't take away our sins, but God can!

You can ask Jesus right now to forgive your sins and come into your heart. Then you'll be able to do the most amazing thing of all: live with God forever.

"What is impossible with men is possible with God" (Luke 18:27, NIV).

JUST FOR laughs

Why did the cow jump over the moon?

He kept burning his tail when he tried to jump over the sun.

What did the man say when he set a new record for porcupine juggling?

Ouch!

Try this!

How many times can you fold a piece of paper in half? Most people can't do it more than eight times. However, a teen named Britney Gallivan succeeded in making 12 folds in an extra-long piece of toilet paper. Try different types and sizes of paper, and see how many folds you can get.

Did you know?

- Rhiannon Linacre was 9 years old when she became the youngest golfer to score a hole-in-one.
- Doris Long is the oldest person to rappel down a building. The 92-year-old super granny rappelled 197 feet to the ground.
