HOLSOM Puzzles

Welcome to HOLSOM
POPULATION: WEIRD
™

Just like the "Welcome to Holsom" comic book series, this puzzle is packed with colorful characters and contains an important message for readers. First, look at each two-digit number at the bottom of the page. The first digit is the "down" row. The second digit is the "across" column. Find the character that matches the down/across numbers. Write the letters above their corresponding numbers and a Bible verse will appear!
