

# War exacts a great cost.

That is why the  
*Pentecostal Evangel*  
is pleased to introduce the  
military subscription program.

*Whether for someone actively serving in the U.S. military or an American veteran, this special arrangement provides a full year of the Pentecostal Evangel at half the normal subscription rate.*

A \$28.99 annual *Evangel* subscription is just **\$14.49** for U.S. military personnel, past or present. (A two-year subscription is only **\$28.**)

To enlist yourself or someone you know in the *Evangel's* military subscription program, just call Gospel Publishing House at **1-800-641-4310** or use the form below.
